

LEGO® Engineering Conference

- for MINDSTORMS Education

6th Annual Northeast Region LEGO Engineering Conference Friday, April 30th, 2010

Please forward this message to the appropriate teachers in your school.

Attention Math & Science interested teachers:

The Tufts University Center for Engineering Education and Outreach (CEEEO) and the LEGO Group cordially invite you to attend this year's Northeast Region LEGO Engineering Conference.

Conference Purpose

The purpose of the LEGO Engineering Conference is to gather teachers and educators who use or plan to use LEGO MINDSTORMS to teach math and/or science in their classrooms in order to:

- Try out activities that use NXT to teach math and science.
- Share experiences and ideas for implementing the tools in the classroom.
- Learn about the new developments for LEGO MINDSTORMS.
- Meet fellow users & experts
- Participate in piloting new ideas for future LEGO Engineering Conferences *

Conference Schedule

7:30 - 8:30 am	Registration & coffee
